Dear Mr. Lesny,

I was delighted that *Start-Up Nation* was published in a Czech version, and thank you for providing me with a copy.

This Czech version will provide a valuable window on Israel's leadership position in the world of hi-tech to the Czech readership, and pave the road for broader Israeli-Czech Republic cooperation in this field. Israel attaches great importance to its relations with the Czech Republic, and all efforts to further enhance these ties are much appreciated.

I wish you every success with the Czech version of *Start-Up Nation* and your future endeavors.

Sincerely yours,

A handwritten signature in black ink, which appears to read "Shimon Peres". The signature is fluid and cursive.
